Retaining the Holy Quran implies learning it by heart. It is a miracle of the Holy Quran that it is the main book on the planet that can be remembered word to word even by the children of a young age. At the time of the Holy Prophet (peace be upon the time), writing things to store them was not typically practiced; subsequently, individuals used to memorize whatever knowledge they wanted to save. Indeed, even today when matters of preservation are never again a difficult perspective because of cutting edge innovation, memorizing Holy Quran is as yet the Honor that Allah gifts to whome' picks.
